STATEMENT BY REPRESENTATIVE LYNN DeCOITE ON THE FIRST CONFIRMED CASE OF COVID-19 CASE IN HANA, MAUI

Hawai 'i State Representative Lynn DeCoite (Ha'ikū, Hāna, Kaupō, Kīpahulu, Nāhiku, Pā'ia, Kaho'olawe, Lāna'i, Moloka'i, Molokini) issued the following statement on the first confirmed case of COVID-19 in Hana, Maui.

"With the first case confirmed in Hana, I am reaching out to the Hana community to please take this seriously and please comply with the State and County Orders in place. Hana is remote and rural with a tight knit community of Kupuna, we need to protect them by doing our part.

"While home on Moloka 'i, I am working with Senator English, Mayor Victorino and the Governor's office to ensure the proper resources are in place for all of our communities.

"My heart is with Hana at this time. Again, please do your part to keep the community healthy and safe."
